As We Face The Year Ahead

By Avery Brooke

Lord, we always make New Year's resolutions,
But seldom keep them. So what do we do, Lord,
As we face the year ahead and dream our dreams
Of being better people living in a better world?
And the word comes back to me:

"You try, child. And, if you fail,
You try again."

There is an old story of a man

Asking a monk: "What do you do up there in the monastery?"

"We fall down and we get up.
We fall down and we get up."

Lord, when we fall down in the New Year, help us to get up
And try again.
