Message from the President

I would like to thank everyone one who was involved with the GEMKHANA which was held on 24th & 25th September. The event was very well attended even though the weather gods decided to test our resolve and on several occasion the heavens opened and the showground was a deluge of water. The outside traders coped and were there next morning in the sunshine to sell their wares to the many visitors.

Congratulations to the GEMKHANA competitors who were successful in winning a place in the competition. Also a huge thanks to the Clubs that encouraged their members to compete and support the competition, the display was well worth seeing and got many positive comments.

On a more regretful side, Colin Wright as unfortunately had to resign from the G & L Council due to health reasons we wish him well in the future and thank him for his assistance over the last ten years.

Barbara J Try O.A.M.

believe it has come time to look at rebranding the Gemkhana slightly differently. There is some confusion, and apparently has been for some time, with non-lapidary people thinking that Gemkhana is a horse event. No doubt the location of 'Showgrounds and Racecourse Rd' only add to the confusion. So I would ask if the committee would consider a rebranding as it were of Gemkhana (not eliminating the name Gemkhana) to make as has been suggested by others, it that we are advertising more obviously a Gem Show or Gem and Crystal Show.

Mail Person: No report
