Message from the President

The State Gem and Mineral Show which was held on 28 & 29 September and from all accounts it was a “Great” show. The weather was not kind while setting up but the two days of the show were good with sunshine with only a light breeze and a few clouds The GEMKHANA results are being published in this newsletter. Congratulations to all the competitors for completing their entries and for those that were successful in winning an award.

The Northern Districts Lapidary Club won the Frank Hall Trophy for the Most Successful Club – Congratulations.

We had six lapidary clubs who took a table in the exhibition hall; they were Blaxland Gem & Mineral Club, Western Suburbs Lapidary Club, Northern Districts Lapidary Club, Port Hacking Lapidary Club, Blue Mountains Lapidary Club and the Sydney Branch of Australian Facetors Guild. Each of these clubs had a good time.

We had a very good role up with lots of members from the Lapidary Clubs and the general public who saw the signs and read about us on Facebook.

Huge thanks must go to the G & L Committee and their families who without their tireless effort we would not have had this successful show.

Barbara J Try OAM
